NON-DISCLOSURE AGREEMENT

Project Halcyon

This Non-Disclosure Agreement ("**Agreement**") is made on **28 September 2026** between:

Aranya Biotech Private Limited, a company incorporated in India with its registered office at 4th Floor, Kalpataru Square, Andheri East, Mumbai 400069 ("**Disclosing Party**"); and

Northwind Analytics LLP, a limited liability partnership with its registered office at 12 Residency Road, Bengaluru 560025 ("**Receiving Party**"),

each a "**Party**" and together the "**Parties**".

1. Purpose

The Disclosing Party will disclose Confidential Information to the Receiving Party solely so that the Receiving Party can evaluate a possible collaboration on Project Halcyon, a clinical data analytics platform (the "**Purpose**").

2. Confidential Information

2.1 "**Confidential Information**" means all information disclosed by the Disclosing Party to the Receiving Party, in any form, that is marked confidential or that a reasonable person would understand to be confidential, including the information identified in clause 3 and Schedule A.

2.2 Confidential Information does not include information that the Receiving Party can show:

a. is or becomes public other than through a breach of this Agreement;

b. was lawfully known to it before disclosure, without a duty of confidentiality;

c. is lawfully received from a third party without a duty of confidentiality; or

d. is independently developed by it without use of the Confidential Information.

3. Identification of Confidential Information by Cryptographic Hash

For the purposes of this Agreement, certain Confidential Information disclosed by the Disclosing Party has been compiled and recorded in an electronic file and identified by means of a cryptographic hash.

The relevant file has the following cryptographic hash:

Hash Algorithm:	SHA-256
Hash Value:	`24b942b49c9b47fc55c4939f2fdff2ac2a02a0d984209c273154b597b7a46abc`

The Parties agree that the above hash value is intended to uniquely identify the specific electronic file containing the Confidential Information covered by this Agreement as of the date on which the hash was generated.

The hash value may also be recorded on a public blockchain or other tamper-evident electronic system for the purpose of establishing the existence and integrity of the identified file at a particular point in time.

In the event of any dispute regarding the identity or contents of the Confidential Information disclosed under this Agreement, the relevant electronic file may be verified by calculating its cryptographic hash and comparing it with the hash value stated above and, where applicable, the corresponding blockchain record.

For the avoidance of doubt, the recording or verification of a cryptographic hash does not by itself establish ownership, confidentiality, authenticity of authorship, or any intellectual property right in the underlying information. Such matters shall continue to be determined in accordance with this Agreement and applicable law.

4. Obligations of the Receiving Party

The Receiving Party shall:

a. use the Confidential Information only for the Purpose;

b. not disclose it to any person except its partners, employees and professional advisers who need to know it for the Purpose and are bound by obligations of confidentiality no less protective than this Agreement;

c. protect it with at least the same care it uses for its own confidential information, and no less than reasonable care;

d. not copy, reverse engineer or analyse it except as needed for the Purpose; and

e. promptly notify the Disclosing Party of any unauthorised use or disclosure.

5. Required Disclosure

If the Receiving Party is required by law, regulation or court order to disclose any Confidential Information, it shall, where legally permitted, give the Disclosing Party prompt written notice and disclose only what is legally required.

6. Return or Destruction

On written request, or when the Purpose ends, the Receiving Party shall promptly return or destroy all Confidential Information and confirm this in writing. It may keep copies it is required by law to keep, which remain subject to this Agreement.

7. No Licence or Warranty

All Confidential Information remains the property of the Disclosing Party. No licence or right is granted except as expressly stated. Confidential Information is provided “as is”, without warranty of any kind.

8. Term

This Agreement applies to disclosures made within two years from its date. The obligations of confidentiality survive for five years from the date of each disclosure and, for trade secrets, for as long as they remain trade secrets.

9. Remedies

The Receiving Party acknowledges that unauthorised use or disclosure may cause irreparable harm, and that the Disclosing Party may seek injunctive relief in addition to any other remedy available at law.

10. Governing Law and Jurisdiction

This Agreement is governed by the laws of India. The courts at Mumbai have exclusive jurisdiction.

11. General

This Agreement is the entire agreement between the Parties on its subject matter. It may be amended only in writing signed by both Parties. If any provision is unenforceable, the rest remains in effect. This Agreement may be signed in counterparts and electronically.
